### **GRIEVANCE**

On September 15, 2010, the City Association of Management Personnel, IFPTE Local 21 (CAMP), filed an administrative grievance related to the additional retirement contributions being made by employees represented by CAMP. Per the agreement for Fiscal Year 2010-2011 between the City and CAMP, employees represented by CAMP were to make additional retirement contributions to reduce the City's required retirement contributions as part of a total compensation reduction. As the additional retirement contributions to be made by employees represented by CAMP could not be immediately implemented, CAMP subsequently challenged the additional retirement contributions as calculated by the City.

As part of the overall agreement on a successor agreement between the City and CAMP, CAMP agrees to withdraw the administrative grievance with regard to the additional retirement contributions with prejudice and forego any other remedy, including, but not limited to, litigation regarding the additional retirement contributions as calculated by the City.

This Agreement is tentative and shall become effective only as part of the overall agreement on a successor agreement between the City and CAMP.
